

Assessment for Learning

The school's aim is to foster the individual aptitudes and meet the individual needs of each child and assessment is one of the key means by which we are able to meet this aim. The prime purp.004 Tc8(e .9(o0.4(o)-7.1(.4(e a)-6.9(b)d8(ngu-7.1(

Extension Needs

The Pupil Review system and the systems for routine monitoring are used to identify those very able children whose needs may not be fully met within the school's mainstream curriculum. Plans are made following discussion and assessment for how the most able children will be extended both within and beyond the classroom.
